

Find the average of the pair of numbers.

**Answers**

- 1) 88 & 60
- 2) 50 & 18
- 3) 52 & 62
- 4) 18 & 81
- 5) 29 & 34
- 6) 29 & 31
- 7) 996 & 378
- 8) 193 & 303
- 9) 259 & 169
- 10) 62 & 69
- 11) 64 & 95
- 12) 67 & 36
- 13) 13 & 17
- 14) 85 & 78
- 15) 908 & 250
- 16) 700 & 447
- 17) 55 & 65
- 18) 43 & 48
- 19) 46 & 81
- 20) 29 & 37

Find the average of the pair of numbers.

- 1) 88 & 60                       $148 \div 2 = 74$
- 2) 50 & 18                       $68 \div 2 = 34$
- 3) 52 & 62                       $114 \div 2 = 57$
- 4) 18 & 81                       $99 \div 2 = 49.5$
- 5) 29 & 34                       $63 \div 2 = 31.5$
- 6) 29 & 31                       $60 \div 2 = 30$
- 7) 996 & 378                     $1,374 \div 2 = 687$
- 8) 193 & 303                     $496 \div 2 = 248$
- 9) 259 & 169                     $428 \div 2 = 214$
- 10) 62 & 69                       $131 \div 2 = 65.5$
- 11) 64 & 95                       $159 \div 2 = 79.5$
- 12) 67 & 36                       $103 \div 2 = 51.5$
- 13) 13 & 17                       $30 \div 2 = 15$
- 14) 85 & 78                       $163 \div 2 = 81.5$
- 15) 908 & 250                     $1,158 \div 2 = 579$
- 16) 700 & 447                     $1,147 \div 2 = 573.5$
- 17) 55 & 65                       $120 \div 2 = 60$
- 18) 43 & 48                       $91 \div 2 = 45.5$
- 19) 46 & 81                       $127 \div 2 = 63.5$
- 20) 29 & 37                       $66 \div 2 = 33$

**Answers**

1. 74
2. 34
3. 57
4. 49.5
5. 31.5
6. 30
7. 687
8. 248
9. 214
10. 65.5
11. 79.5
12. 51.5
13. 15
14. 81.5
15. 579
16. 573.5
17. 60
18. 45.5
19. 63.5
20. 33
