# Counting Up

Name:

**Follow the instructions to find the number you end at.**

1) Start at 975 and count up 5 times by fives.

2) Start at 251 and count up 3 times by hundreds.

3) Start at 44 and count up 4 times by hundreds.

4) Start at 274 and count up 2 times by tens.

5) Start at 207 and count up 3 times by tens.

6) Start at 760 and count up 2 times by fives.

7) Start at 390 and count up 4 times by fives.

8) Start at 85 and count up 3 times by fives.

9) Start at 900 and count up 3 times by tens.

10) Start at 647 and count up 3 times by tens.

11) Start at 252 and count up 3 times by hundreds.

12) Start at 329 and count up 3 times by hundreds.

13) Start at 410 and count up 3 times by fives.

14) Start at 955 and count up 3 times by fives.

15) Start at 103 and count up 2 times by tens.

16) Start at 419 and count up 2 times by hundreds.

17) Start at 599 and count up 2 times by hundreds.

18) Start at 179 and count up 2 times by hundreds.

19) Start at 14 and count up 2 times by tens.

20) Start at 927 and count up 3 times by tens.

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____

9. _____

10. _____

11. _____

12. _____

13. _____

14. _____

15. _____

16. _____

17. _____

18. _____

19. _____

20. _____
